

○ Port security certificate

Having regard to the provisions of the Port Security Act, Regulation (EC) no. 725/2004 of the European Parliament and of the Council of 31 March 2004 on enhancing ship and port facility security (OJ L 129), Chapter XI-2 of the SOLAS Convention and the International Ship and Port Facility Security Code (ISPS Code), this is to certify as follows for:

Name of company: **Bulk Terminal Zeeland**

Name of port facility: **BTZ**

Port identification number: **23247/5500**

IMO-number of port facility: **NLVLI-0031**

1. A security assessment has been carried out for the above port facility in accordance with the provisions of the Port Security Act;
2. On the basis of the security assessment for the above port facility, a security plan has been prepared in accordance with the provisions of Chapter XI-2 of the SOLAS Convention, part A of the ISPS Code and the paragraphs of part B of the ISPS Code specified in article 3, fifth paragraph, of EU Regulation 725/2004;
3. The review of the security plan has shown that the port facility meets the applicable requirements of the provisions referred to in [2];
4. Therefore in accordance with article 6, first paragraph, of the Port Security Act the security plan of the abovementioned port facility is approved; and
5. This certificate is granted to the abovementioned port facility as proof of approval.

This certificate is issued on **1 mei 2016**

This certificate is valid until **1 mei 2021**

Certificate number **1151-5-045**
